The stage has had a long tradition of great detectives. Dirk Gently does not belong to it. From the mind of Douglas Adams, who brought you The Hitchhiker's Guide to the Galaxy, comes Dirk. A ghost/horror/detective/time- travel/romantic comedy/epic story that begins with a seemingly innocent conjuring trick and ends with the most devastating secret of humankind! All this, AND a musical number!

Are all these things interconnected??

Opens 12 September at 8pm

Then plays 18, 19, 20, 25, 26, 27 September, 2 and 3 October
